METHODOLOGY:

- To calculate the Total City Levy and Total Mills Levied in City by All Units, the League uses a weighted average of all taxing units within a city, which takes into account the total assessed valuation and mills levied for each taxing unit.

CITY INFORMATION AND SOURCES:

- Assessed valuation, city levy, and total mills information is compiled from data supplied by the Property Valuation Division of the Kansas Department of Revenue.
- Bonded indebtedness information is obtained from cities through a survey conducted by the League.
- Population data was certified by the Secretary of State as of July 1, 2017.
- Total mills levied in city by all units category represents the total weighted average mill levy in the city.
- * denotes information not supplied by the taxing unit.

USD AND COUNTY INFORMATION SOURCES:

- USD information and assessed valuation and composite levy information is supplied by the Property Valuation Division of the Kansas Department of Revenue.
- Some school districts have separate bond and interest levies, while others have included the bond and interest levy in the general local levy.
- Individual fund levy information is compiled from mill levy rate sheets completed by each county.
- County bonded indebtedness information compiled from the *Report of Bonded Indebtedness* forms submitted June 30, 2017, to the State Treasurer's Office.

SPECIAL THANKS TO THE PROPERTY VALUATION DIVISION OF THE KANSAS DEPARTMENT OF REVENUE.
